

'The Love Revolution' by Joyce Meyer  
Book Review by Pam Robertson

I thoroughly recommend Joyce Meyer's latest book 'The Love Revolution. It is an exciting and challenging book, which seeks to be practical in every way, as only Joyce can present. It calls us to be a person of love for Jesus, being the person who goes out of their way to encourage someone who is out of hope, being the one who smiles at a stranger, being the one who is willing to do something for nothing.
