

**Two Books in One**  
*Hinds' Feet for High Places*  
and  
*Mountains of Spices*  
By Hannah Hurnard

Do you struggle, as I do at times, to picture God as a loving caring Father? Do you have a yearning for a deeper relationship with God? Do you worry about all your faults and shortcomings? If so, then this is the book for you. It has transformed my view of God and the trials I face, as everyone does, each day.

A quote from the jacket of the book: "Here we see how fear can turn into faith - in fact all the darker aspects of our nature can be transformed into the glorious fruit of the Holy Spirit.

Join Much-Afraid on her danger-filled journey to the heights, and then her discovery (as Grace and Glory) that the very traps sent to ensnare us can become doors to change us - for His glory."

What I really loved about this book was the way Hannah Hurnard portrayed God's unwavering love for us at ALL times and no matter what we have done.

Highly Recommended.
