

"The Grace Outpouring" by Roy Goodwin

Ffald-y-Brenin is a prayer retreat centre near Fishguard, Pembrokeshire.

This is a remarkable story of this House of Prayer on the Welsh hillsides.

God is working in sovereign power in many peoples lives every day.

Roy has witnessed an outbreak of God's bounty and blessing in the house, grounds and local community.

Is this another outpouring of God's Spirit in Wales as experienced last century?

An excellent and inspiring read. Pam Robertson.
